MEMORANDUM FOR: Chief, Management Staff

SUBJECT: Survey of Committees within Government

1. This is in response to your memorandum of April 18 requesting information as to the committees on which representatives from this office sit. I understand that under the terms of the request from the White House, boards are included within the survey.

2. This office is represented in the following boards and committees.

- a. Project Review Committee
- b. Property Survey Board
- c. Board on Shortage of Funds
- d. Disposition Board
- e. Medical Claims Board
- f. Employee Review Board
- g. Security Hearing Board.

3. I assume that detailed information about these boards will reach you from other sources which either supply the chairman or are more intimately connected with the boards concerned. If this proves not to be the case let me know and I will supply the detailed information in accordance with the suggested format.

4. In my opinion there would be no objection to disclosing the existence, the name and function of any of these committees or boards on a classified basis in connection with these surveys.
